Why?

TO-DO LIST

“ In MCV, there are deadline notifications, but there is still *no tool* to **track** or **organize** tasks for *each subject* or *subtasks*. ”

Overview *A To-Do List to*

- To stay **organized** and keep **track** of tasks
- To **prioritize** tasks by importance and urgency
- To **break down** complex projects into smaller, more manageable tasks
- To help manage **time** effectively

Features

01 Add Task

02 Arrange in order of priority

03 Edit/Delete Task

04 Categorize types of tasks
